

School of Mathematical Sciences: Assessment Cover Sheet

Student Name	
Student ID:	
Course/Program	<b>Research Tools and Methods for the Mathematical Sciences</b>
Lecturer	Matthew Roughan
Date Submitted	

**KEEP A COPY**

It is a good idea to make a copy of your work. If you have submitted assessment work electronically, it is also a good idea to make a backup copy.

**PLAGIARISM AND COLLUSION**

Plagiarism: using another person's ideas, designs, words or works without appropriate acknowledgement. Collusion: another person assisting in the production of an assessment submission without the express requirement, or consent or knowledge of the assessor. For more information please refer to

<http://www.adelaide.edu.au/clpd/plagiarism/students/>

NB: In this course you are encouraged to work with other students but the work you submit must be your own. This means you must understand it and be able to explain it if required.

**CONSEQUENCES OF PLAGIARISM AND COLLUSION**

The penalties associated with plagiarism and collusion are designed to impose sanctions on offenders that reflect the seriousness of the University's commitment to academic integrity. Penalties may include: the requirement to revise and resubmit assessment work, receiving a result of zero for the assessment work, failing the course, expulsion and/or receiving a financial penalty.

I declare that all material handed in for assessment in this course will be my own work except where there is clear acknowledgement and reference to the work of others. I have read the University Policy Statement on Plagiarism, Collusion and Related Forms of Cheating

<http://www.adelaide.edu.au/policies/?230>

I give permission for my assessment work to be reproduced and submitted to other academic staff for the purposes of assessment and to be copied, submitted and retained in a form suitable for electronic checking of plagiarism.
